Catherine,

Per my E-mail and its rationale, please change the agenda of BOTH Utah and Arizona to be:

Testing Strategy and Revision of Revision Dose / Risk  
Assessment  
Annie Jarabek ....

Status of Studies  
David Mattie ...

Please confirm receipt of this message, I seem to be having trouble with Kevin and Wayne for some reason.

Thanks for all the hard work. I know these last minutes near the end are a hassle...

Annie.
